Good Afternoon and Welcome to

Kiwanis

Notes for the Club

I hope you all got your fill of college bowl games and your team won. Only one more game and we'll see who pulls off another rematch. Well now it begins, being held accountable to the new year's resolutions that we've made. Good luck on your quest!

As we start this new year our schedules are adjusting to with the holidays and for many of us who've had disruptions in our work, this has been a challenge that we've worked to overcome. Our Kiwanis routine is changing as well with our meeting location. I hope this trial is beneficial to all individually and our club as a whole. We will work through this transition and we'll see where we end up. For those who are able, please choose your parking as to leave the close up parking spaces to our more senior members.

I also want to ask you to invite other members you haven't seen in while to come or even a friend who may not have been to our meeting and let's grow our club. As always, let's keep our members in your prayers who are ill and healing.

Joseph Pfeifer Kiwanis Camp

Since 1929, the Downtown Little Rock Kiwanis Club has served the children of Central Arkansas through its operation of the Joseph Pfeifer Kiwanis Camp. The Club created and incorporated a 501(c)(3) non-profit corporation, Kiwanis Activities of Little Rock, Arkansas, Inc. to own and operate the 88 acre camp.

Pfeifer Camp is near Ferndale, AR, approximately 15 miles from downtown Little Rock and 10 minutes from Pinnacle Mountain State Park. The camp is still close to the city but far enough to enjoy the outdoors. In the 1930s, the Civilian Conservation Corps (CCC) began construction of the cabins that campers and counselors live in today.

Happy Birthday to you

Happy Birthday to you

Happy Birthday dear **Charles**.

Happy Birthday to you.

Hollywood Squares

Q. Do female frogs croak?

A. Paul Lynde: If you hold their little heads under water long enough.

Q. If you're going to make a parachute jump, at least how high should you be?

A. Charley Weaver: Three days of steady drinking should do it.

Q. True or False, a pea can last as long as 5,000 years.

A. George Gobel: Boy, it sure seems that way sometimes.

Q. You've been having trouble going to sleep. Are you probably a man or a woman?

A. Don Knotts: That's what's been keeping me awake.

Q. According to Cosmopolitan, if you meet a stranger at a party and you think that he is attractive, is it okay to come out and ask him if he's married?

A. Rose Marie: No; wait until morning.

Q. Which of your five senses tends to diminish as you get older?

A. Charley Weaver: My sense of decency.

Q. In Hawaiian, does it take more than three words to say "I Love You"?

A. Vincent Price: No, you can say it with a pineapple and a twenty.

Q. As you grow older, do you tend to gesture more or less with your hands while talking?

A. Rose Marie: You ask me one more growing old question Peter, and I'll give you a gesture you'll never forget.

Q. Paul, why do Hell's Angels wear leather?

A. Paul Lynde: Because chiffon wrinkles too easily.

Kiwanis clubs enrich their communities with six million hours of service each year. Think about what could happen if we shared our stories—and inspired others.
