## Welcome to Kiwanis

### Frankly Speaking...

Dear Kiwanians:

I hope everyone is doing well.

The Board met January 19th and voted to continue the weekly meeting suspension through February. Our active Covid-19 cases in Independence County have decreased significantly and hopefully by March our active cases will be down to the point where it is safe to resume our weekly meetings.

Randy Seale and John High, our newest members, participated in our January Board Meeting. Our goal to increase membership this year is proving to be a difficult challenge due to the pandemic, but it might also be a perfect time as everyone is getting bored sitting around at home. So, if you are in touch with someone that is stuck at home and would like some social interaction, invite them to participate in one of our online Zoom Board Meetings to learn more about Kiwanis. It is simple to get online from your phone, tablet, or computer. Let Lyndal Waits or me know if you want to participate in the Board Meetings and we will send you the Login Information. Our next Board Meeting is February 16th.

Do not let your guard down and continue to stay safe!

# Kiwanis® Amplify

## LEARNING AND LIVING LEADERSHIP OUT LOUD

**Everyone can identify a great leader. But what makes a leader great?**

It takes education and training. That's why Kiwanis International is introducing Kiwanis Amplify — a leadership program for Kiwanians who want to amplify their skills to help them build and lead a team. Participants will take a deep dive into eight leadership topics led by experts in each field.

**See next page for more information.**

Kiwanis is a global organization of volunteers dedicated to

improving the world one child and one community at a time.

# LEARNING & LIVING LEADERSHIP OUT LOUD

Build your leadership skills. Improve your career, your community and your Kiwanis club.

Kiwanis Amplify is a program for emerging leaders who want to amplify their ability to lead a team. Participation is encouraged for, but not limited to, young leaders, new members and graduating members of Circle K International.

## Participants will:

- Explore the value of servant leadership.
- Discover their personal strengths so they can lead confidently and successfully.
- Strengthen the ability to lead others in a strategic manner.
- Build and manage a strategic plan that works.
- Learn from experts as well as from peers from across the globe.
- Earn a certification of completion.

## Participants will take a deep dive into eight leadership topics:

1. The qualities of a good leader.
2. Methods of communication.
3. Planning engaging events.
4. Promoting diversity, equality and inclusion throughout a team.
5. Working with others.
6. Sharing a message.
7. Planning for the future.
8. Staying focused.

The participation fee is US\$200. Individuals may nominate themselves for Kiwanis Amplify — or a club, division or district may sponsor participants. The participation fee is considered an educational expense, so clubs have the option of paying it from their service accounts.
