Good Afternoon and Welcome to

Kiwanis

Notes for the Club

I hope that you have had a great week this week. As you know this is the mid winter district conference for the MoArk District and I'm attending representing our club.

I expect to learn things that Kiwanis is working on and expect to hear how other clubs are doing some things different from our club. I hope that I come back with some ideas that will offer our club a chance to reach more kids and inspire good values for our future generations. I also hope to hear ideas of how to serve as a better president and help each member reach their full potential. Maybe I'll hear about some new opportunities for fund raisers that we can all be involved in that will appeal to our community.

No matter, I'll miss seeing all of you which is one of my positives in my world every week. You are all good friends to me and I value that and am happy that I'm a Kiwanian.

How about inviting someone to come and meet us so we can have a new friend in the club. See you next week.

An Oscar fact for you...

After Spencer Tracy won the 1937 Best Actor Oscar for Captains Courageous, the gold statuette was sent out to be inscribed. When it was returned to the actor, it was engraved "To Dick Tracy." The Academy was justifiably embarrassed by the error.

Music fact for you...

The only member of the Rock/Blues band, ZZ Top, that did not have a beard was named Frank Beard.

TODAY'S SONG SMILE

Smile and the world
smiles with you sing a song.
Don't be weary,
just be cheery all day long.
Whenever your trials,
your troubles and your cares
seem to be more
than you can really bear.
Smile and the world
smiles with you sing a song.
