Good Afternoon and Welcome to Kiwanis

Youth Services

First Vice-President Brenda Doty, and chair of Youth Services, presents a check for \$250.00 to Katrina Stevens, Community Education Coordinator at UACCB.

This is to support the 2022 Youth Enrichment Program which offers various sessions for grades 1- 6. They offer UACCB Olympic Games, LEGOS, Cubelets & Coding, Beyond Band-Aids, Magic of Science, Inside Engineering Camp, 3-D Printing, and Makers and Creators Manufacturing Camp.

TODAY'S SONG

SMILE

Smile and the world
smiles with you sing a song.
Don't be weary,
just be cheery all day long.
Whenever your trials,
your troubles and your cares
seem to be more
than you can really bear.
Smile and the world
smiles with you sing a song.

Eliminating Iodine Deficiency

Thanks to Kiwanis International's first Global Campaign for Children, great strides have been made toward the goal of eliminating iodine deficiency worldwide. Working with UNICEF, the entire Kiwanis family joined together to raise funds to help eliminate the problem of iodine deficiency by supporting salt iodization, testing and monitoring, and community outreach and education.

Members of the Kiwanis family can take great pride in their accomplishments. Today, about 70 percent of the people in the developing world have access to iodized salt, and UNICEF has hailed this project as one of the greatest public health triumphs of the 20th century. Through the dedication and hard work of the Kiwanis family, not only in raising money but also in raising awareness of the problem and motivating governments and industry to act, millions of children have been protected against the invisible but devastating effects of iodine deficiency.

UNICEF has reported that Kiwanis-raised funds are now at work in more than 89 nations and more than 80 million children in the developing world will be born free of iodine deficiency disorder this year. Today, the number of households estimated to be consuming iodized salt has jumped dramatically from 20 percent in 1990 to more than 70 percent. The Kiwanis family has raised more than US\$80 million to eliminate iodine deficiency disorders--heralded as one of the most successful health initiatives in the world.

Today, the Kiwanis Children's Fund continues to make the elimination of IDD a priority.

Our club gave over \$27,000.00.

Kiwanis Education - Motto

Kiwanis' motto is "Serving the Children of the World." The original motto was "We Trade". A new motto of "We Build" was adopted during the 1920 International Convention and represented Kiwanis for more than 80 years.
