KIDS AT HEART

Kiwanis International is a global community of clubs, members and partners dedicated to improving the lives of children one community at a time. Today, we stand with more than 550,000 members from K-Kids to Key Club to Kiwanis and many ages in between in 80 countries and geographic areas. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance.

Kiwanis clubs host nearly 150,000 service projects each year.

Kiwanis International has a vision: Someday, all kids will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

To help make that vision a reality, Kiwanis members provide a continuum of impact — from childhood into adulthood. With the support of the Kiwanis Children's Fund, as well as local and international partnerships, they make that impact through service that supports the three Kiwanis causes.
