July 24, 2020

### Good Afternoon and Welcome to Kiwanis

## Frankly Speaking...

### Welcome to Kiwanis!

The Kiwanis Board met via Zoom Videoconference July 21<sup>st</sup>. Terrell Tebbetts reported that our Club exceeded the \$3,000 goal for the Annual Arkansas Children's Hospital Fund Drive. Thank you all for contributing to this endeavor. We also discussed the Chubby Menard Pancake Day in October and Christmas Parade in December. Bill Cline is Chairing the Chubby Menard Pancake Day and Renee Martin is Chairing the Christmas Parade. More information will be forthcoming on how you can support these initiatives.

We have been meeting at the Tavolo Italian Ristorante for several weeks. I hope you are enjoying the new venue and food.

Continue to invite potential new members that have the passion to help us achieve our mission and improve our Community.

Have a Great Weekend

## Upcoming Activities

### Arkansas Children's Hospital Fund-raiser

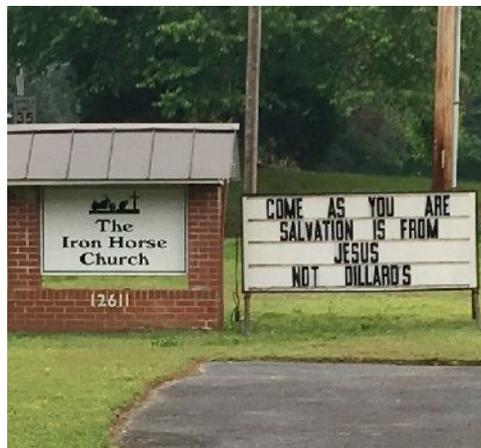

All of July

July is the club's ACH month, when we raise cash to support this vital organization and all its service to the children of our wonderful state.

If you have not donated yet, please contact me or an officer or board member.

Terrell Tebbetts

### This Week in Church Signs

We encourage you to enter the building wearing a mask and to practice safe distancing guidelines. The building is capable of handling our usual number on Fridays plus a quarter again as much. Masks are available should you forget yours.

## TODAY'S SONG

### SMILE

Smile and the world  
smiles with you sing a song.  
Don't be weary,  
just be cheery all day long.  
Whenever your trials,  
your troubles and your cares  
seem to be more  
than you can really bear.  
Smile and the world  
smiles with you sing a song.

## 1 QUESTION FOR YOU

Imagine each day is only 12 hours long. What would you cut out?

Author James Clear

Kiwanis clubs enrich their communities with six million hours of service each year. Think about what could happen if we shared our stories—and inspired others.

## Eliminating Iodine Deficiency

Thanks to Kiwanis International's first Global Campaign for Children, great strides have been made toward the goal of eliminating iodine deficiency worldwide. Working with UNICEF, the entire Kiwanis family joined together to raise funds to help eliminate the problem of iodine deficiency by supporting salt iodization, testing and monitoring, and community outreach and education.

Members of the Kiwanis family can take great pride in their accomplishments. Today, about 70 percent of the people in the developing world have access to iodized salt, and UNICEF has hailed this project as one of the greatest public health triumphs of the 20th century. Through the dedication and hard work of the Kiwanis family, not only in raising money but also in raising awareness of the problem and motivating governments and industry to act, millions of children have been protected against the invisible but devastating effects of iodine deficiency.

UNICEF has reported that Kiwanis-raised funds are now at work in more than 89 nations and more than 80 million children in the developing world will be born free of iodine deficiency disorder this year. Today, the number of households estimated to be consuming iodized salt has jumped dramatically from 20 percent in 1990 to more than 70 percent. The Kiwanis family has raised more than US\$80 million to eliminate iodine deficiency disorders--heralded as one of the most successful health initiatives in the world.

Today, the Kiwanis Children's Fund continues to make the elimination of IDD a priority.

Our club gave over \$27,000.00.
