Good Afternoon and Welcome to Kiwanis

Frankly Speaking...

Welcome to Kiwanis!

We will be presenting \$1,000 each to the Alpha Center, Family Violence Prevention, and the Children's Advocacy Center at Friday's meeting. I hope you will join us Friday at Tavolo's to participate in this event.

Last Saturday and Sunday we had our initial signups for this year's Kiwanis Football and Cheerleading. We will do it again this Saturday and Sunday and need Kiwanians to sign up to help. Thank you Lyndal and Kandace for taking the lead for these initiatives and all the Kiwanians who signed up to help with the registration process.

We started distributing the Chubby Menard Pancake Day tickets at last Friday's meeting. The Board voted to assess each Kiwanian ten tickets to sell.

Continue to invite potential new members.

Have a Great Weekend

TODAY'S SONG

WE SERVE AND WE BUILD

(Home On The Range)

Now let us all sing
Let our voices ring
In Kiwanis here today
We work hard to find
Other ones who are kind
To help us along the way

We serve and we build
In Kiwanis we get a thrill
To help others out
That's what we're all about
Always has and always will

Eliminating Iodine Deficiency

Thanks to Kiwanis International's first Global Campaign for Children, great strides have been made toward the goal of eliminating iodine deficiency worldwide. Working with UNICEF, the entire Kiwanis family joined together to raise funds to help eliminate the problem of iodine deficiency by supporting salt iodization, testing and monitoring, and community outreach and education.

Members of the Kiwanis family can take great pride in their accomplishments. Today, about 70 percent of the people in the developing world have access to iodized salt, and UNICEF has hailed this project as one of the greatest public health triumphs of the 20th century. Through the dedication and hard work of the Kiwanis family, not only in raising money but also in raising awareness of the problem and motivating governments and industry to act, millions of children have been protected against the invisible but devastating effects of iodine deficiency.

UNICEF has reported that Kiwanis-raised funds are now at work in more than 89 nations and more than 80 million children in the developing world will be born free of iodine deficiency disorder this year. Today, the number of households estimated to be consuming iodized salt has jumped dramatically from 20 percent in 1990 to more than 70 percent. The Kiwanis family has raised more than US\$80 million to eliminate iodine deficiency disorders--heralded as one of the most successful health initiatives in the world.

Today, the Kiwanis Children's Fund continues to make the elimination of IDD a priority.

Our club gave over \$27,000.00.

Gratitude:

"Feeling gratitude and not expressing it is like wrapping a present and not giving it." William Arthur Ward

"I would maintain that thanks are the highest form of thought; and that gratitude is happiness doubled by wonder." G.K. Chesterton

"Enough' is a feast. Buddhist proverb

"If you count all your assets, you always show a profit." Robert Quillen

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them." John F. Kennedy

"Reflect upon your present blessings, of which every man has plenty; not on your past misfortunes, of which all men have some." Charles Dickens

"Acknowledging the good that you already have in your life is the foundation for all abundance." Eckhart Tolle

"If a fellow isn't thankful for what he's got, he isn't likely to be thankful for what he's going to get." Frank A. Clark

"If you want to turn your life around, try thankfulness. It will change your life mightily." Gerald Good

"Gratitude turns what we have into enough, and more. It turns denial into acceptance, chaos into order, confusion into clarity...it makes sense of our past, brings peace for today, and creates a vision for tomorrow." Melody Beattie

"The world has enough beautiful mountains and meadows, spectacular skies and serene lakes. It has enough lush forests, flowered fields, and sandy beaches. It has plenty of stars and the promise of a new sunrise and sunset every day. What the world needs more of is people to appreciate and enjoy it." Michael Josephson
