Good Afternoon and Welcome to Kiwanis

Tom's Talk

It feels like Fall, and by the way, don't forget to fall back this weekend for the end of daylight savings time. There's a real chill in the air but not in the heart of Kiwanians!

Lyndal will give us a recap of the end of Kiwanis Youth Football, another great youth project that if not for Kiwanis, who?

Ron and Martha Lewallen have done a great job once again in leading preparations of our club float in the Christmas Parade, Santa's Sleigh. Helping in the work were Gary and Diane Baker, Renee, and Dennis Martin and Frank Hilbert.

The Christmas Parade is our next big project, December 4th at 6 pm. This is a family affair and always fun. Members come early and feel free to park in my parking lot on 12th and College Streets. I will put a "Reserved for Kiwanis Club" signs out.

We added a new old member in October, Bill Daum. Like myself he took a sabbatical and came back into the fold. We are so glad to see you on Fridays Bill.

Kiwanis Elevator Speech

If you are in an elevator or with a group of people, and someone asks you, "What is Kiwanis?" how would you answer? Here's a statement you can use:

Kiwanis helps kids around the world. Local clubs look out for our communities, and the international organization takes on large-scale challenges, such as diseases and poverty. We are generous with our time. We are creative with our ideas. We are passionate about making a difference. And we have fun along the way.

Create a personal "one-minute speech" by thinking of answers to a few simple questions:

- Why my club?
- What's our community impact?
- How do we serve the community?

Use this worksheet to create your own "one-minute speech" to promote Kiwanis.

Our President made the front page of last Sunday's Three Rivers Edition of the Arkansas Democrat-Gazette. I will email the article to members today.

Drawn to service and leadership, Batesville man contributes to community

BY ANDREA HUNTER

Tom Martin and he always thought he wanted to be a social engineer, but that was not his destiny. Instead, he found a true calling in service to his community. Martin was recently named as president of the Batesville Kiwanis Club, a position of national recognition for his leadership and dedication to the community.

Martin has been a part of Batesville history from birth. He said he was born in the old Batesville, a time when the town was a small, tight-knit community.

Dr. Martin was named as district manager for Ameriprise Financial, a position of national recognition for his leadership and dedication to the community.
