Good Afternoon and Welcome to Kiwanis

Tom's Talk

Welcome to Kiwanis!

I will miss our fellowship today but thank you President Elect Bill Cline for leading our meeting today.

Yesterday was Veterans Day, I am thankful to all who've served. It is heartwarming to see the well-deserved appreciation most Americans are showing to the men and women who donned the uniform of our country.

Kiwanis is all about youth and family, something to think about as we enter one of the most wonderful times of the year for family gatherings. Thanksgiving and Christmas are so special for children, their families and community. Let's all do our part in preparing for and helping Chairperson Renee where she needs it in the Christmas Parade.

Our November Board meeting is Tuesday November 16 at my conference room, I'm bringing in Pizzas, sodas, and tea for anyone that wishes to attend in person, as always there will be a Zoom option. Please let me know by calling my office at 793-4800 with a head count by Tuesday noon. The Street Address is 175 S. 12th Street, the corner of 12th and College.

Until next week, let's all make the world better one child and one community at a time.

INVITE NEW MEMBERS

When you love your club, you'll want to share that experience and invite others to be part of it. **After all, 74 percent of members joined a Kiwanis club because someone invited them—and for 48 percent of them, it was a friend or relative.**

The best way to attract new people to your Kiwanis club is by grabbing their interest—and respecting their time. Kiwanis International developed this "elevator speech" to help you. Create your own "one-minute speech" by thinking of answers to a few simple questions.

Membership Benefits

There are lots of reasons to join of club, but here are some of the benefits you can remind your friends, family and acquaintances they'll enjoy as a member of Kiwanis.

As a member of Kiwanis, they will:

- Change children's lives
- Improve the community and the world
- Build friendships
- Enhance their leadership skills
- Develop business contacts

Kiwanis also offers members access to special products and services, Kiwanis magazine and other great tools.

Identifying New Members

Part of Kiwanis' appeal to potential new members is that it affords them the opportunity to be a part of meaningful, hands-on service experiences. But you should know they also want:

- Service leadership programs
- Reasonable dues
- Few meetings
- Social events
- Their voices to be heard
- Opportunities to be active
- Value for their time and money

Think about friends, family, neighbors, colleagues – anyone who has expressed interest in your club or service activities in the past. Work as a club to identify prospective members on a regular basis. It will take teamwork to strengthen your club.
